

AcidSolitaire Collection

The Most Popular Solitaire Card Games
Solitaire, Freecell, and Spider

- ◆ Just click to play! Single click cards and watch them fly to the best location.
- ◆ Select from three easy to read card designs and sizes.
- ◆ Challenge a friend to a game. Games are numbered in order of difficulty.
- ◆ Personalize your solitaire games with your own digital photo backgrounds.

Customer Quotes

"Your products are excellent and your name is one that I have come to associate with great games."

- Caryl F.

"I wanted to tell you that AcidSolitaire is the most addictive and elegantly designed game that I have ever played. I wish you had designed all the MS programs!"

- Mark M.

"Red Mercury's products are the most fun products on the market. They have been absolutely trouble free. And the tips still make me chuckle."

- Diana F.

"I love the graphics you use and the overall quality of the games I purchased from you."

- Nicole L.

Fun for Everyone

- ♥ Quick Step-by-Step tutorial gets beginners up and running in no time.
- ♥ Sparkle hints suggest the next best move for when you are stuck or want to improve your strategy.
- ♥ Miss a good move? Undo one move or every move back to the beginning. Unlimited Undo and Redo moves.
- ♥ Play full screen or mini-mode. Cards automatically resize to fit the screen. Drag the corners of the screen in and out.
